

Why is nomination important?

Nomination is the process of naming a person (nominee) that will receive your policy benefits* in the event of your demise. This ensures that death claims are paid out to the nominee* without delay.

Who can be your nominee?

You can nominate anyone to be your nominee.

How do I make a nomination?

- 1) Download the nomination form at <https://www.hlatouch.my/Forms.aspx>
- 2) Complete the form. It is recommended to make your nomination as soon as your policy coverage begins.
- 3) Submit the nomination form to any HLA Branch.
